Beretta 692 12 Bore/gauge Over and under

£ 1,895

Description

One owner from new, well coloured and figured stock, very well presented, 32" barrels, 5 chokes, Steel Proofed, manufacturers ABS Motor Case. Proofed in 2013 (CM) and purchased by the current owner in January 2014 (Receipt to prove) this gun is very well presented and an excellent example of this popular Sporter. The blacking on the barrels is unmarked and blemish free. The bores are in excellent condition and the ejectors are strong and the barrels lock firmly onto the face. The barrels feature a Fleure De Lys mark and are proofed for Steel shot. x5 Extended Beretta chokes at IM, M, IC, CL-C, and Skeet are included in their original box. There is a ventilated, 10mm wide tapering rib with a white bead sight in place at the muzzle. A packet of additional Beretta bead sights is included. The body of the action is blemish free and features the make and model of the gun, inlaid in yellow metal. The top lever is firm and the barrel selector is positive in it's action. The stock is remarkably well figured and coloured and features the original absorber style butt pad (see photo) that measures 2". Other sizes of pad are included, measuring 3/4" and 1/2", allowing a good range of adjustment for LOP, especially when combined with the adjustable trigger. The original Beretta Hex Stock key is included. The checkering on the stock and fore-end are well defined and undamaged. Complete with manufactures ABS motor case. A matching Beretta slip and cartridge bag available to purchase separately. Can be seen anytime by appointment in Alton, Hampshire or sent to your local RFD from £35. Not for Export - Anywhere.
