Reximex MITO S .177 Air Pistols

£ 350

Description

NEW Regulated PCP, pistol, Detachable Shoulder Stock, Contoured anatomical Grip, Side Cocking Lever, Tru-Glo Sights, Rail for Scope, Threaded for Moderator. A Regulated PCP Air Pistol with detachable shoulder stock. The grip is ambidextrous and has palm swells either side for comfort and control. The shoulder stock attaches easily and matches the finish of the pistol. The cocking lever is mounted on the left side and there is a manual safety button. Tru-Glo sights are fitted and there is a rail to enable a scope to be fitted. An adaptor is supplied to enable a threaded moderator to be fitted. There is a pressure gauge fitted at the front of the main air tube. Complete with soft carry case, two 9x shot Magazines, Adaptor for Moderator, Single Shot sled, Chronograph Printout. See the video below - My thanks to Andy's Air Gun Reviews. No license required in England or Wales but you must be aged 18 years to purchase this air pistol. can be seen anytime by appointment on Alton, Hampshire or sent only to another Gun Dealer from £35.
