BSA Lightning CLX .177 Air Rifles

£ 459

Description

Made in UK, Cold Hammer-Forged Barrel, Ambidextrous Beech Stock, Two stage adjustable trigger, Screw Cut threaded barrel for silencer (Inc), Rail for Scope. Brand new from BSA, featuring a cold hammer-forged barrel set in a real Beech stock. The cocking mechanism is smooth and the two stage adjustable trigger is crisp. A rail is incorporated on the receiver block to accept a scope. Scopes available at additional cost. The barrel is unsighted ie, no sights are fitted. The stock has an ambidextrous Monte-Carlo style cheek riser (combe), that help align the eye to the scope for fast target acquisition. The pistol grip and fore-stock have fine checkering to aid grip. An absorber style butt-pad is fitted. You MUST be aged 18+ to purchase this air rifle. No licence required in England or Wales. Can be seen by appointment in Alton, Hants or sent to your local gun dealer from £35. UK mainland Only - Not for Export - Anywhere.
