Winchester 94AE Lever action .357 Rifles

£ 585

Description

Price Reduction Classic, Cross-Bolt safety, Original Sights, Drilled and Tapped for Scope Mount, Saddle Ring, Absorber style butt pad. The bore shows good rifling throughout and the crown is intact with no pitting. The blacking on the barrel, mag tube, barrel bands and action is in good condition, showing a few areas of minor blemishing. The original open sights are in place. The action is smooth and there are both the action safety and cross-bolt safety. All screw heads are in good condition. There is some minor loss of lustre to both sides of the stock and there are some unfortunate small cabinet marks on left side of the fore-stock, forward of the action. Can be seen by appointment in Alton, Hampshire or sent to your local gun dealer from £30. UK Only - Not for Export - Anywhere.
