Sig Sauer 522 Semi-Auto .22 Rifles

£ 395 ONO

Description

Compact AR Platform, Lightweight, Folding, Adjustable stock, Screw Cut, Muzzle Break, Weaver Rail, No Magazine. Well presented and unused for nearly 2 years, this popular gun is well presented but does show some marks from careless storage. The 16" barrel is shrouded by the hand guard and the external finish appears to be in good condition. The internal bore is bright and shows good rifling. There is a Weaver rail set on top of the upper receiver and no battle sights are fitted. The external finish of the lower and upper receiver have suffered some unfortunate scuffing (see photos). Can be seen by appointment in Alton, Hants or sent to your local dealer from £35. UK Mainland only - Not for export - Anywhere.
